I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: Please don't restrict these specialty pharmacies'
ability to ship out of state. There are many
women needing these special services and
would be ill-served by such restrictions.
